Melanie O'Neill Young Investigator Award in Biological Chemistry

This award is presented to a scientist residing in Canada who has made a distinguished contribution to biological chemistry while working in Canada. Eligible candidates must have received their Ph.D. no more than 12 years prior at the time of initial nomination.

Terms of Reference

Deadline: For the 2017 award, only the deadline will be October 17
July 2 of every year

Sponsors: The Biological and Medicinal Chemistry Division of the Canadian Society for Chemistry and [Simon Fraser University](#)

Award: A framed scroll and \$500 cash prize.

The recipient will be required to present an award lecture at the Canadian Chemistry Conference and Exhibition.

Nominations must include:

- **Citation** (250 word maximum) statement of why the candidate should receive the award. This is the key document in the nomination and this information should be relevant to the achievements for which the award is being offered.
- **Biographical Sketch** (maximum one page) This provides background information on the nominee and summarizes past accomplishments. This is a summary of information obtained from a C.V.
- **Curriculum Vitae** (maximum nine pages).
- **Supporting Letters** (3 to 5) At least two letters must be from outside the nominee's organization. Membership in the Institute is not a prerequisite for this award. All nominations will remain in force for three years. Nominators are responsible for keeping the record of the nominee up to date and complete.
