Société canadienne de chimie | **Pour notre avenir**

Undergraduate Student Poster Competition

Analytical Chemistry Division

1st place (\$150): **Isaac Jones**, *University of Alberta*

2nd place (\$50): **Andrew Crowell**, *Dalhousie University*

Biological / Medicinal Chemistry Division

1st place (\$150): **Yongjao Bill Kim**, *University of Toronto*

2nd place (\$50): **Cuylar Conly**, *University of Saskatchewan*

Chemical Education Division

1st place (\$150): **J.K. Kohout**, *University of British Columbia*

Environment Division

1st place (\$150): **D. Letourneau**, *Vancouver Island University*

Prizes sponsored by the Environment Division and Syncrude Canada

Inorganic Chemistry Division

1st place (\$150): **Justin Black**, *University of British Columbia*

2nd place (\$100): **Isaak Martens**, *University of Calgary*

3rd place (\$50): **Sean M. McDonald**, *University of Alberta*

Organic Chemistry Division

1st place (\$200): **Jessamyn Logan**, *University of Victoria*

2nd place (\$100): **Katie Psutka**, *Wilfrid Laurier University*

3rd place (\$50): **Bilal Bagha**, *Simon Fraser University*

Honourable Mention: **Josée Richard-Daniel**, *Université de Montréal*

Physical, Theoretical and Computational Chemistry Division

1st place (\$150): **Dhiya Hassan**, *University of Ottawa*

Surface Science Division

1st place (\$150): **Him Wei Ng**, *Simon Fraser University*

Graduate Student Poster Competition

Analytical Chemistry Division

1st place (\$200): **Thy Vu**, *Tufts University*

2nd place (\$100): **Wenmin Ye**, *University of Alberta*

Honourable Mention: **Yi Shen**, *University of Alberta*

Honourable Mention: **Shereen Elbayamy**, *University of Alberta*

Biological / Medicinal Chemistry Division

1st place (\$200): **Irina S. Shlaifer**, *Concordia University*

2nd place (\$100): **Pushpinder Kanda**, *McMaster University*

2nd place (\$100): **Shawn McKinnie**, *University of Alberta*

Environment Division

Canadian Society for Chemistry | **For Our Future**
Société canadienne de chimie | **Pour notre avenir**

Alyson Baergen, *University of Toronto*
Marie-Eve Jean, *Université de Sherbrooke*

Inorganic Chemistry Division

1st place (\$200): **Tracy Lohr**, *University of Calgary*
2nd place (\$100): **Emma Nicholls-Allison**, *University of Victoria*
Honourable Mention (Wiley Book Prize): **Benson Jelier**, *Simon Fraser University*
Honourable Mention (Wiley Book Prize): **Vedran Nicholas Vukotic**, *University of Windsor*
Honourable Mention (Wiley Book Prize): **Paraskevi Lagaditis**, *University of Toronto*

Macromolecular Science and Engineering Division

1st place (\$200): **Jeffrey Murphy**, *University of Alberta*
2nd place (\$100): **Amanda Foster**, *Carleton University*

Materials Chemistry Division

1st place (\$75): **Danielle Wilson**, *Simon Fraser University*
1st place (\$75): **Megan Blades**, *University of Calgary*
1st place (\$75): **James Walker**, *University of Saskatchewan*

Organic Chemistry Division

1st place (\$200): **Philippa Payne**, *University of British Columbia*
2nd place (\$100): **Chris White**, *University of Toronto*
3rd place (\$50): **Nicole McNeil**, *University of Calgary*
Honourable Mention: **Sean Liew**, *University of Toronto*

Physical, Theoretical and Computational Chemistry Division

1st place (\$200): **Erin Lindenberg**, *University of British Columbia*
2nd place (\$100): **Zahra Dezhahang**, *University of Alberta*

Surface Science Division

1st place (\$200): **Zhenyu Yang**, *University of Alberta*
2nd place (\$100): **Armando J. Marengo**, *University of Calgary*
Honourable Mention: **Lars Laurentius**, *University of Alberta*

Undergraduate and/or Graduate Student Oral Competitions

Biological / Medicinal Chemistry Division

1st place (\$100): **Sai Kiran Sharma**, *University of Alberta*
1st place (\$100): **Yulia Skovpen**, *University of Saskatchewan*
1st place (\$100): **Erin Garside**, *University of Alberta*

Chemical Education Division

1st place Reg Friesen Award (\$200): **Jennifer Lofgreen**, *University of Toronto*
1st place Reg Friesen Award (\$200): **Jennifer Kellie**, *University of Lethbridge*

Environment Division

Canadian Society for Chemistry | **For Our Future**
Société canadienne de chimie | **Pour notre avenir**

1st place Undergrad (\$250): Jonathan K. Challis, University of Winnipeg
1st place Grad (\$250): Charles Odame-Ankrah, University of Calgary
1st place Grad (\$250): Merrill Isenor, University of British Columbia
Prizes sponsored by the Environment Division and Syncrude Canada

Macromolecular Science and Engineering Division

1st place (\$200): Sarah Stewart, McMaster University
2nd place (\$100): Amanda J. Fawcett, McMaster University

Materials Chemistry Division

XRCC Award (\$250): Jennifer Lofgreen, University of Toronto
XRCC Award (\$250): Harlyn J. Silverstein, University of Manitoba
1st place (\$75): Paolo Bomben, University of Calgary
2nd place (\$75): Renee Man, University of British Columbia

Organic Chemistry Division

1st place (\$100): Lauren Keyes, University of British Columbia
1st place (\$100): Serge Zaretsky, University of Toronto
1st place (\$100): Haley Carlson, University of Alberta
1st place (\$100): Sergey Vshyvenko, Brock University
1st place (\$100): Michele Richards, University of Alberta
1st place (\$100): Matthew Bancarz, University of Toronto
1st place (\$100): Natalie Campbell, University of British Columbia
1st place (\$100): Amanda Whiting, University of Victoria
1st place (\$100): Svetlana Kostina, University of McMaster University

Physical, Theoretical and Computational Chemistry Division

1st place (\$200): Alya Arabi, Dalhousie University
2nd place (\$100): Mirza Galib, University of Alberta
2nd place (\$100): Lina Truong, University of Calgary
