### **Hawkesbury Local Section – Tour of Canadian Conservation Institute**

On Saturday, June 3 we are planning to go to Ottawa to visit the Canadian Conservation Institute on Innes Road near St. Laurent, as part of the Doors Open Ottawa weekend. The Institute assists museums, art galleries, libraries, etc. in conservation and preservation of heritage collections. If time permits we might also be able to visit one of the other Doors Open sites, such as the NRC wind tunnels on Montreal Road. Because of the distance involved we are hoping that a sufficient number will be interested in attending to justify renting a bus. For this reason we will need to know of your intention at least a week before. So please give it some thought.

Looking forward to seeing you on June 3

Don Mutton
