

Chemical Institute of Canada | **For Our Future**

Hawkesbury Local Section Dinner and Talk with David Stringer

Members and guests are cordially invited to our next meeting on Tuesday, May 12, which will include lunch at Restaurant Carole, followed by a tour of the new Hawkesbury waste water treatment plant.

The expansion and improvement of the waste water treatment plant incorporates the best practices in the industry, including the installation of two new equalization tanks; improvements to pumping, waste matter screening and grit removal; and installation of a new ultraviolet disinfection system, and a new bio-solids and de-watering facility.

A short annual business meeting for CIC members will be held after lunch, and before proceeding to the tour.

Date: Tuesday, May 12, 2015

Place: 1. Restaurant Carole, 292 Main Street East, Hawkesbury (second floor)
2. Hawkesbury waste water treatment plant, 815 Main Street East, Hawkesbury

Time: 12:00 noon. Lunch. Restaurant Carole will offer its regular menu selection
2:00 pm. Tour of the Hawkesbury waste water treatment plant

We have been asked to limit attendance to 20, and to inform the town of the number in our group on Thursday, May 7. From past experience, this should not be a problem, but if you are planning to attend, please call one of the following as soon as possible, and no later than Wednesday, May 6.

Elliott Gardner (613) 632-8592
Don Mutton (613) 632-3331
Brent Ball (450) 533-1268 (work)
(450) 533-6556 (home)

Looking forward to seeing you on May 12.

Don Mutton
Secretary
