## Tour of Green Beaver / Dinner and AGM

Members and guests are cordially invited to join us for our last meeting of the current season, on Wednesday, May 16, which will include a tour of Green Beaver, followed by an early supper at Restaurant Carole in Hawkesbury.

Green Beaver is a family owned company which uses pure, natural ingredients to produce safe alternatives for household cleaning and personal care products, including toothpaste, deodorant, lotions, soap, and hair and skin care products. The plant is located at 760 Tupper Street in Hawkesbury. Because the plant closes at 4:00 pm, they have asked that we be on site and ready to start the tour at 2:30 pm. The tour should finish by 4:00 pm.

Date: Wednesday, May 16 at 2:30 pm

Place: Green Beaver, 760 Tupper Street in Hawkesbury

Supper: Restaurant Carole, 292 Main Street East, Hawkesbury. Since we don't have a speaker, we don't need the privacy of the second floor dining room, and may eat on the main floor.

Please call one of the following by noon on Tuesday, May 15, to indicate whether you plan to attend the tour only, or the tour and supper.

Elliott Gardner (613) 632-8592

Don Mutton (613) 632-3331

Note that members of the CIC need to meet during supper for our annual business meeting of the Hawkesbury Section.

Looking forward to seeing you on May 16

Don Mutton  
Secretary
