

## Lionel High School Chemistry Scholarship

### Terms of Reference

#### About the Scholarship

The Lionel High School Scholarship has been established to assist a high school student who shows an interest in science in his/her transition to study chemistry, biochemistry or chemical engineering at a postsecondary institution (college or cégep pre-university program or university program) but who would not otherwise be able to attend without significant financial assistance. Selection is based on achievement in school, interest in chemical-related studies, as well as financial need. The scholarship is given towards up to 4 years tuition in the program.

Sponsor: Lionel Investments Ltd.

Scholarship Amount: \$4,000 for each of 4 years in program (student must maintain a B (75%) average minimum and provide acknowledgement annually that they are continuing in the program).

#### Eligibility

To be eligible for this Scholarship, the high school student must:

- Be a Canadian citizen or permanent resident.
- Have shown an interest in chemistry related studies.
- Plan to enroll in a bachelors program in chemistry, biochemistry or chemical engineering at a Canadian university, a pre-university 2-year program at a college or cégep, within the year of graduation from high school
- Demonstrate need for financial assistance.

#### How to Apply

Eligible students should submit the following by March 1, 2018.

- Letter outlining future goals and plans to achieve them
