Lionel High School Chemistry Scholarship

Terms of Reference

About the Scholarship

The Lionel High School Scholarship has been established to assist high school students who shows an interest in science in their transition to study chemistry, biochemistry or chemical engineering at a postsecondary institution (college or cégep pre-university or diploma program or university program) but who would not otherwise be able to attend without significant financial assistance. Selection is based on achievement in school, interest in chemical-related studies, as well as financial need. The scholarship is given towards up to 4 years tuition in the program.

Sponsor: Lionel Investments Ltd.

Scholarship Amount: \$4,000 for up to each of 4 years in program (student must maintain a B (75%) average minimum and provide acknowledgement annually that they are continuing in the program). Several scholarships may be offered each year.

Eligibility

To be eligible for this Scholarship, the high school student must:

- Be a Canadian citizen or permanent resident.
- Have shown an interest in chemistry related studies.
- Plan to enroll in a BSc program in chemistry, biochemistry or chemical engineering at a Canadian university, a pre-university 2-year program or diploma program at a college or cégep, within the year of graduation from high school
- Demonstrate need for financial assistance.

How to Apply

Eligible students should submit the following by March 1 of each year. (If March 1 is a weekend, the deadline reverts to the next working day).

- Letter outlining future goals and plans to achieve them
- Official High School Transcripts

222, rue Queen Street, Suite/bureau 400 • Ottawa, Ontario, Canada K1P 5V9 • T 613-232-6252 • F 613-232-5862 • info@cheminst.ca

- At least one Letter of Recommendation (high school science teacher/ guidance counsellor or other school official)
 - o The letter should include a description of the applicant's enthusiasm and commitment toward a chemistry-related career, as well as their academic success.
 - o If the student has participated in any other science outreach activities a letter of recommendation from the coordinator would be useful. (Canadian Chemistry Contest, Canadian Chemistry Olympiad, National Chemistry Week, etc.).
- Demonstrated need for financial assistance
- Provide names of other scholarships received.

ADDITIONAL DOCUMENTS

- Other documents showing interest or financial need such as reports, abstracts, personal statements, resumes, reference letters may also be included.
