## Alfred Bader Award

This award is presented as a mark of distinction and recognition for excellence in research in organic chemistry by a scientist who is currently working in Canada.

### Terms of Reference

**Deadline:** July 2 of every year

**Sponsor:** Organic Division

**Award:** A framed scroll

**Eligibility:** The scientist shall not have reached the age of 60 years by January 1 of the year in which the nomination becomes effective. The recipient will be required to present an award lecture at the Canadian Chemistry Conference and Exhibition. Membership in the Institute is not a prerequisite for this award.

#### Nominations must include:

- **Citation** (250 word maximum) statement of why the candidate should receive the award. This is the key document in the nomination and this information should be relevant to the achievements for which the award is being offered.
- **Biographical Sketch** (maximum one page) This provides background information on the nominee and summarizes past accomplishments. This is a summary of information obtained from a C.V.
- **Curriculum Vitae** (maximum nine pages).
- **Supporting Letters** (3 to 5) At least two letters must be from outside the nominee's organization.

Membership in the CIC is not a prerequisite for this award.

If the nominee has previously received awards by the CSC and/or CIC, the nominator has to differentiate the current achievements from those that have been previously recognized.

All nominations will remain in force for three years. Nominators are responsible for keeping the record of the nominee up to date and complete.

No award will be given out, if less than 3 nominations for the award are received or if the Committee considers that no suitable candidate has been nominated.

#### Selection Committee

- CSC Director of Awards as non-voting Chair
- Past Chair of the Organic Chemistry Division
- Past two winners of the Alfred Bader Award
- 

The recipient will be required to present an award lecture at the Canadian Chemistry Conference and Exhibition.
