Biological and Medicinal Chemistry Lectureship Award

Formerly the Teva Canada Limited Biological and Medicinal Chemistry (BMC) Lectureship Award

This award is presented to a scientist who has made a distinguished contribution to the field of biological or medicinal chemistry within the past five years of the initial nomination deadline date while working in Canada.

Terms of Reference

Deadline: July 2 of every year

Sponsor: Biological/Medicinal Chemistry Division and Organic Chemistry Division

Award: A framed scroll and a cash prize of 1,000 can be used to offset travel costs to the CSC conference.

Nominations must include:

- **Citation** (250 word maximum) statement of why the candidate should receive the award. This is the key document in the nomination and this information should be relevant to the achievements for which the award is being offered.
- **Biographical Sketch** (maximum one page) This provides background information on the nominee and summarizes past accomplishments. This is a summary of information obtained from a C.V.
- **Curriculum Vitae** (maximum nine pages).
- **Supporting Letters** (3 to 5) At least two letters must be from outside the nominee's organization.
- **Three Recent Publications** The publications should demonstrate the recent advance(s) for which the nomination is made and should be published within the past six years prior to the nomination.

Membership in the CIC is not a prerequisite for this award.

If the nominee has previously received awards by the CSC and/or CIC, the nominator has to differentiate the current achievements from those that have been previously recognized.

All nominations will remain in force for three years. Nominators are responsible for keeping the record of the nominee up to date and complete.

No award will be given out, if less than 3 nominations for the award are received or if the Committee considers that no suitable candidate has been nominated.

Selection Committee

- CSC Director of Awards as non-voting Chair
- Chair of the Biological/Medicinal Chemistry Division
- Last 2 Past Chairs of the Biological/Medicinal Chemistry Division

The recipient will be required to present an award lecture at the Canadian Chemistry Conference and Exhibition.

List of Recipients

Date	Award Winner	Award Lecture
Teva Canada Limited Biological and Medicinal Chemistry (BMC) Lectureship Award		
2018	William Lubell	From a CH to N swap to therapeutic prototypes to treat macular degeneration; modulation of the cluster of differentiation 36 receptor using azapeptides mediates macrophage-driven inflammation
2017	John Paul Pezacki	Interrogating Host-pathogen Interactions with Activity-based Probes
2016	Robert Campbell	The Bottomless Barrel of Fluorescent Protein-based Tools for Visualizing Biochemistry as it Happens
2015	David M. Perrin	Meeting the Challenge of ¹⁸ F-Labeling for PET with Organotrifluoroborates: A Physical-organic Chemist's Foray from the Bench to the Bedside of Nuclear Medicine
2014	David Vocadlo	O-GlcNAc as a Potential Target for Disease Modifying Therapy in Alzheimer Disease
2013	Andrew Woolley	Visible Light Photo-switches for Controlling Protein Structure
