## **2019 CIC Chemical Education Fund grant recipients**

The [CIC Chemical Education Fund](#) (CEF) is a registered charity to promote education in the fields of chemical sciences, chemical engineering, chemical technology and related disciplines. Each year, the CEF awards financial support to various education events and initiatives. The full list of funded 2019 CEF grant recipients is below, and examples of previously funded activities are available online. These events and initiatives will be highlighted in Community News articles throughout the year as they occur.

### **Canadian Society for Chemistry regional student conferences**

#### **47<sup>th</sup> Southern Ontario Undergraduate Student Chemistry Conference (SOUSCC 2019)**

March 30, 2019 in Scarborough, ON

Hosted by: University of Toronto at Scarborough

#### **44<sup>th</sup> Science Atlantic Chemistry Conference (ChemCon 2019)**

May 24–26, 2019 in Wolfville, NS

Hosted by: Acadia University

#### **31<sup>e</sup> Colloque annuel des étudiantes et étudiants de premier cycle en chimie**

October 18, 2019 in Sherbrooke, QC

Hosted by: Université de Sherbrooke

### **Canadian Society for Chemical Engineering student programming**

#### **Student program at the 69<sup>th</sup> Canadian Chemical Engineering Conference**

October 20-23, 2019 in Halifax, NS (conference dates)

Hosted by: Dalhousie University

### **Education and outreach initiatives and special events**

#### **Chemical Engineering Research Day / Journées de la recherche en génie chimique**

March 19–20, 2019

Hosted by: Polytechnique Montréal and McGill University

### **Outreach in Labrador**

October 12–19, 2019

Outreach to predominantly inuit communities in Labrador by Memorial University, Grenfell Campus

### **Chemical Biophysics Symposium**

May 3, 2019 in Toronto

Hosted by University of Toronto

### **CNC/IUPAC Breakfasts “Celebrating Women in Chemistry**

February 12, 2019, Breakfasts will be held across Canada

### **Canada 2067**

June 4, 2019, Québec City

Undergraduate research 3-minute talks hosted by Western University

### **Working Group for Inclusion, Diversity and Equity (WIDE)**

June 6, 2019 in Québec City

Symposium hosted by CSC WIDE

### **3<sup>rd</sup> Leaders Overcoming Gender Inequality in Chemistry (LOGIC) Retreat**

June 6, 2019 in Saskatoon

Hosted by University of Saskatchewan – Women in Chemistry

### **Timeline of Elements**

May 2018–December 2019

Launch of a Timeline of Elements to celebrate the International Year of the Periodic Table created by *Chem13 News*

### **Toronto Local Section Professional Development and Outreach Programs**

Hosted throughout 2019 by the Toronto Local Section
