

PSM Division is doing well

	CSChE Conference Total	PSM Division
# attendees	1050	30-60 in our sessions
# presentations	550	22, 5 bumped to posters
# symposia	21 symposia	PSM had 6 sessions; one of three divisions that had 3 days' content
# keynotes, plenary, invited	20 keynotes, 5 plenary, 80 invited	3 (Henselwood, Amyotte, Winkel)

Always opportunities for continuous improvement

- Better advertising for Minerva Case competition
- Better scheduling for students' PSM workshop
- Special awards for PSM posters?
- Broader involvement? If so, how?
 - Industry?
 - Related industries – railroads, mining, agriculture...?
 - Municipalities?
 - Regulators?
- Different structures to reach broader CSChE members?
 - Panel discussions
 - Joint sessions with other divisions (Education, Environment)
