Canadian Chemistry and Chemical Engineering Award for Green Chemistry (Individual)

Terms of Reference

The Canadian Chemistry and Chemical Engineering Award for Green Chemistry (Individual) is presented to an individual working in Canada who has made significant contributions to advance green chemistry and/or engineering, including the technical, human health and environmental benefits.

Deadline

July 2 of every year

Sponsor

The Chemical Society of Canada

Award

- A framed scroll and \$1,000 cash prize

The award shall be presented at one of the Chemical Institute of Canada's (CIC) annual conferences, an independent conference or symposium organized by the CIC or an event chosen by the CGCEN. The recipient will be asked to present an award lecture.

All nominations will remain in force for three years. Nominators are responsible for keeping the record of the nominee up to date and complete.

Membership in the Chemical Institute of Canada is not a prerequisite.

The nomination includes:

- **Citation** Provide a brief statement (approximately 250 words) of why the candidate/group/team should receive the award.
- **Biographical Sketch** (for individuals only — maximum one page) Provide background information on the nominee and summarize past accomplishments. This is a summary of information obtained from a C.V.
- **Support Documents** This is the key document in the nomination and this information should outline areas where the individual meets the criteria listed in the Terms of Reference for this award, including awards, patents and other related information.
- *For individuals*, an abbreviated C.V., no longer than nine pages is accepted. including background information on previous awards, fellowships and plenary lectures at national and international meetings; projects being carried out, CIC activities and other information particularly related to green chemistry or engineering.

- **Supporting Letters** (3 to 5) It is CIC policy that a minimum of three and a maximum of five letters of support are required. At least two must be from outside the nominee's organization.

Selection Committee

- Chair of the
- Chair of the CGCEN
- Two past winners of this award
- One additional member appointed by the Board of Directors of the CGCEN.
- Selection Committee members may also be members of the CGCEN Board of Directors.
- It is recommended that members of the committee are from all sectors: industry, government and academia.
- The award shall be presented annually unless the Selection Committee considers that no suitable candidate has been nominated.
