Environment Division Research and Development Dima Award

Terms of Reference

This award is awarded for distinguished contributions to research and/or development in the fields of environmental chemistry or environmental chemical engineering, while working in Canada.

Deadline for Application

July 2 each year.

Sponsor

Dima Technology Inc.

Award

A framed scroll, \$1,000 cash and up to \$1,000 for travel expenses to the CSC Conference, if required.

The award shall be presented at the annual Canadian Chemistry Conference and Exhibition or Canadian Chemical Engineering Conference. The recipient will be required to present an award lecture.

Nominations must include

- Citation (250 word maximum) statement of why the candidate should receive the award. This is the key document in the nomination and this information should be relevant to the achievements for which the award is being offered.
- Biographical Sketch (250 word maximum) This provides background information on the nominee and summarizes past accomplishments. This is a summary of information obtained from a C.V.
- Curriculum Vitae (maximum 9 pages).
- Supporting Letters (3 to 5) At least two letters must be from outside the nominee's organization.

Membership in the Institute is not a prerequisite for receiving this award.

If the nominee has previously received awards by the CIC and/or Societies, the nominator has to differentiate the current achievement from those that have been previously recognized.

The nomination shall remain in force for three consecutive odd years. Nominators are responsible for keeping the record of the nominee up to date and complete.

No award will be given out, if less than 3 nominations for the award are received or if the Committee considers that no suitable candidate has been nominated.

Selection Committee:

- Director of Awards of the CSC or CSChE as non-voting Chair
- Past two winners of the Environment Division Award
- One member of the current Environment Division executive designated by the Division Chair
- In the event of a conflict of interest, the Division Chair shall designate an alternative member of the Executive to serve on the award jury

The award shall be presented annually unless the Committee considers that no suitable candidate has been nominated.
