## CSCT Silver Medals

Each year the CSCT awards a silver-plated medal to the student with the highest marks completing his or her final year of studies at each chemical, chemical engineering or biochemical related technology program at Canadian colleges

**Nomination:** The Faculty Advisor, Program Head, Awards Officer or other university official provides the CSCT Awards Manager with the name of the candidate. Silver medals may be requested at any time during the school year. Please specify the year for which the medal is being presented.

**Award:** Silver plated medal and certificate.
