UP 12% from 2018

Our most cited & downloaded article

"A Comprehensive Review on Emulsions and Emulsion Stability in Chemical and Energy Industries"

Fatemah Goodarzi & Sohrab Zendehboudi, MCIC

The article with the highest publicity

"Experimental Methods in Chemical Engineering: Mass Spectrometry—MS"

Patrice Perreault, Etienne Robert, & Gregory Patience, MCIC

2019 Winner of the Can. J. Chem. Eng. Lectureship Award

Arun Ramachandran
University of Toronto

Best Graduate Student Paper

Khushaal Popli
University of Alberta

“

In 2019 we completed our 97th volume and reached the highest impact factor on record of the Can. J. Chem. Eng. The credit for this achievement goes to our dedicated Associate Editors and IAB members, and above all to all the authors who selected the Can. J. Chem. Eng. to publish their best scientific research results.

”

João B. P. Soares, Editor-in-Chief

Welcome to Our New Associate Editors

For 2019, we welcomed several associate editors, including CIC members:

- > **Gisele Azimi**
University of Toronto
- > **Jan B. Haelssig**
Dalhousie University
- > **Vikramaditya G. Yadav**
University of British Columbia
- > **Fouad Azizi**
American University of Beirut
- > **Sohrab Zendehboudi**
Memorial University of Newfoundland
