Fred Beamish Award

This award recognizes an individual who demonstrates innovation in research in the field of analytical chemistry, where the research is anticipated to have significant potential for practical applications.

Deadline

July 2 of every year

Sponsor

Analytical Chemistry Division

Award

- A framed scroll
- The recipient will be required to present an award lecture at the Canadian Chemistry Conference and Exhibition.

Nomination Requirements

A nomination package must be submitted electronically through [ScholarOne](#). The package should include the following:

- **Citation** (250 word maximum) statement of why the candidate should receive the award. This is the key document in the nomination and this information should be relevant to the achievements for which the award is being offered.
- **Biographical Sketch** (maximum one page) This provides background information on the nominee and summarizes past accomplishments. This is a summary of information obtained from a C.V.
- **Curriculum Vitae** (maximum nine pages).
- **Supporting Letters** (3 to 5) At least two letters must be from outside the nominee's organization.

Eligibility

Membership in the CIC is not a prerequisite for this award.

If the nominee has previously received awards by the CSC and/or CIC, the nominator has to differentiate the current achievements from those that have been previously recognized.

All nominations will remain in force for three years. Nominators are responsible for keeping the record of the nominee up to date and complete.

Selection Committee

- CSC Director of Awards as non-voting Chair
- Vice Chair of the Analytical Chemistry Division
- Past winner of the Fred Beamish Award
- One other member appointed by the Division executive

An award may not be given in a particular year.
