

Application to represent Canadian Society for Chemistry

A key aspect that differentiates the Commonwealth Chemistry Congress from other scientific meetings is the underlying principle of **equal representation for all Commonwealth countries** and a unique focus on creating an **enabling environment for early career chemists**. As such, the CSC will select three Early Career Chemists to attend the Congress to represent Canada and present a poster on their research, related to one of the scientific themes.

Early Career Chemists applying to attend the Second Commonwealth Chemistry Congress should provide the following information:

1. A brief letter of introduction or biographical sketch (300 words maximum) including a statement of why you want to participate in the Congress and the impact that you foresee on your future development as a chemist.
2. A brief explanation (300 words maximum) explaining how your current research contributes to one or more of the following [UN Sustainable Development Goals](#):
 - Zero Hunger (SDG 2)
 - Good Health and Well-being (SDG 3)
 - Affordable and Clean Energy (SDG 7)
 - Responsible Consumption and Production (SDG 12)
 - Clean Water and Sanitation (SDG 6)
 - Climate Action (SDG 13)
3. A short (2 page maximum) curriculum vitae
4. An abstract (500 words maximum) of the research that will form the basis for your poster presentation. You should also indicate which scientific theme you wish for your poster to be included

Applications should be submitted by noon (Eastern time) October 15th, 2022 via email to CICAdmin@cheminst.ca
