Election of Directors for 2024-2025

2024 CIC AGM - June 4, 2024

CIC Vice-President

Dietmar Kennepohl, BSc (Hons) PhD FCIC is Professor of Chemistry and former Associate Vice President Academic at Athabasca University. He holds university, national, and international teaching awards including the CIC Award for Chemistry Education and is a Society for Teaching and Learning in Higher Education 3M National Teaching Fellow. He has been an active CIC member for several decades which has included serving as Edmonton Local Section Chair, Chemistry Education Division Chair, and CSC Board Member and National Director of Local Sections. Externally, he has contributed to numerous boards and initiatives such as being a recent co-chair of the Campus Alberta Quality Council or volunteering as the Director of the Humboldt Foundation Liaison Office in Canada. His research in chemistry and distance education includes online chemistry courses and concentrates on the use of innovative distance delivery methods for undergraduate laboratory work. He has also been a strong promoter of chemistry outreach for both youth and the general public.
