Biological and Medicinal Chemistry Lectureship Award

Formerly the Teva Canada Limited Biological and Medicinal Chemistry (BMC) Lectureship Award

This award is presented to a scientist who has made a distinguished contribution to the field of biological or medicinal chemistry within the past five years of the initial nomination deadline date while working in Canada.

Deadline

August 1 of every year

Sponsor

Biological/Medicinal Chemistry Division and Organic Chemistry Division

Award

- A framed scroll
- Cash prize of 1,000 can be used to offset travel costs to the Canadian Chemistry Conference and Exhibition (CSC)
 - The cash prize can also be used to offset travel costs to give a lecture at a Canadian university, e.g., a remote university whose students do not typically participate in the CSC due to distance and costs.
- The recipient will be required to present an award lecture at the CSC.

Nominations must include:

A nomination package must be submitted electronically through [Awards Force](#). The package should include the following:

- **Citation** (250 word maximum) statement of why the candidate should receive the award. This is the key document in the nomination and this information should be relevant to the achievements for which the award is being offered.
- **Biographical Sketch** (maximum one page) This provides background information on the nominee and summarizes past accomplishments. This is a summary of information obtained from a C.V.
- **Curriculum Vitae** (maximum nine pages).
- **Three Recent Publications** The publications should demonstrate the recent advance(s) for which the nomination is made and should be published within the past six years prior to the nomination.

Eligibility

Self-nominations are encouraged.

Membership in the CIC is not a prerequisite for this award.

If the nominee has previously received awards by the CSC and/or CIC, the nominator must differentiate the current achievements from those that have been previously recognized.

All nominations will remain in force for three years. Nominators are responsible for keeping the record of the nominee up to date and complete.

Selection Committee

- CSC Director of Awards as non-voting Chair
- Member-at-large from the Biological and Medicinal Chemistry Division
- Last 2 Past Chairs of the Biological and Medicinal Chemistry Division

An award may not be given in a particular year.
