Macromolecular Science and Engineering Award

This award is presented to an individual who, while residing in Canada, has made a distinguished contribution to macromolecular science or engineering.

Deadline

August 1 of every year

Sponsor

NOVA Chemicals Corporation

Award

- A framed scroll
- \$2,000 cash prize

The award shall be presented at the annual Canadian Chemistry Conference and Exhibition or Canadian Chemical Engineering Conference. The recipient will be required to present an award lecture.

Nomination Requirements

A nomination package must be submitted electronically through [Awards Force](#). The package should include the following:

- **Citation** (250 word maximum) statement of why the candidate should receive the award. This is the key document in the nomination and this information should be relevant to the achievements for which the award is being offered.
- **Biographical Sketch** (250 word maximum) This provides background information on the nominee and summarizes past accomplishments. This is a summary of information obtained from a C.V.
- **Curriculum Vitae** (maximum 9 pages).
- **Supporting Letters** (3 to 5) At least two letters must be from outside the nominee's organization.

Notes

Membership in the Institute is not a prerequisite for receiving this award.

If the nominee has previously received awards by the CIC and/or Societies, the nominator has to differentiate the current achievement from those that have been previously recognized.

The nomination shall remain in force for three consecutive years. Nominators are responsible for keeping the record of the nominee up to date and complete.

No award will be given out, if less than 3 nominations for the award are received or if the Committee considers that no suitable candidate has been nominated.

Selection Committee

- CIC Director of Awards as non-voting Chair
- Past Chair of the Macromolecular Science and Engineering Division
- Two past Macromolecular Science and Engineering Division award winners
