CSChE Student Chapter Merit Award

Terms of Reference

The Student Chapter Merit Award is offered as a means of recognizing and encouraging initiative and originality in Student Chapter programming in chemical engineering.

Deadline: June 1 annually

Award: An engraved plaque for first place and honourable mention

Nomination: The Chapter should prepare its own nomination.

Provide a .pdf report which includes:

- indication of both scientific and social events over the entire twelve month period
- elaborate on what are considered the most important activities
- chapter statistics, including the total number of active members
- level of participation and interest in each activity photos or other material may be included

Selection Committee

The Selection Committee shall be chaired by the CSChE Student Affairs and contain two other appointed members.

Submit: Awards Manager at awards@cheminst.ca.

2023

First Place, University of Toronto

Honourable Mention, McMaster University

2022

First Place, University of Toronto

Honourable Mention, McMaster University

2021

First Place, N/A
Honourable Mention, N/A

2020

First Place, N/A
Honourable Mention, N/A

2019

First Place, University of Toronto
Honourable Mention, McMaster University

2018

First Place, Laurentian University
Honourable Mention, McGill University

2017

First Place, Laurentian University
Honourable Mention, University of Toronto

2016

First Place, University of Toronto
Honourable Mention, Laurentian University and McMaster University

2015

First Place, Laurentian University
Honourable Mention, McGill University and University of Toronto

2014

First Place, University of Toronto
Honourable Mention, McGill University and Laurentian University

2013

First Place, McMaster University
Honourable Mention, University of Toronto

2012

First Place, McMaster University
Honourable Mention, University of Toronto

2011

First Place, University of Western Ontario
Honourable Mention, University of Toronto

2010

First Place, McMaster University
Honourable Mention, Lakehead University

2009

First Place, Lakehead University
Honourable Mention, McMaster University

2008

First Place, Lakehead University
Honourable Mention, McMaster University

2007

First Place, Université de Sherbrooke

2006

First Place, University of Toronto

Honourable Mention, Queen's University

2005

First Place, Queen's University

2004

First Place, McMaster University

Honourable Mention, Université de Sherbrooke

2003

First Place, McGill University

Honourable Mention, Université de Sherbrooke

2002

First Place, Lakehead University

Honourable Mention, McMaster University

2001

First Place, Lakehead University

Honourable Mention, Université de Sherbrooke

2000

First Place, Lakehead University

Honourable Mention, McMaster University

1999

First Place, University of Alberta

Honourable Mention, McGill University

1998

First Place, Université de Sherbrooke

Honourable Mention, University of Alberta

1997

First Place, University of Alberta

Honourable Mention, Lakehead University

1996

First Place, Lakehead University

Honourable Mention, Université de Sherbrooke

1995

First Place, Lakehead University

Honourable Mention, Université de Sherbrooke

1994

First Place, McMaster University

Honourable Mention, Université de Sherbrooke

1993

First Place, University of Waterloo

Honourable Mention, McMaster University

1992

First Place, University of Waterloo

Honourable Mention, McMaster University
