Each year, the CSChE awards silver-plated medals to the top students at each Canadian university entering their final year of chemical engineering. One award is given for each program.

Nomination: The Faculty Advisor, Department Head, Awards Officer or other university official provides the CSChE Awards Manager with the name of the candidate. Silver medals may be requested at any time during the school year.

Please specify the year for which the medal is being presented.

Award

Silver plated medal and certificate.
