Erasing boundaries

Sponsorship and Exhibitor Prospectus

Theme: Erasing boundaries

If you're looking to reach and engage the chemical sciences community in Canada, the Chemical Institute of Canada (CIC) is where you start.

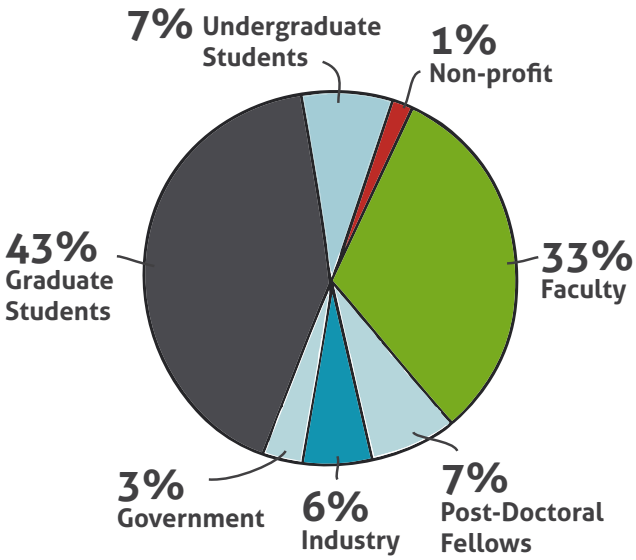

The CIC offers a robust range of in-person events and educational opportunities, as well as a strong digital presence through email communications and a comprehensive website. With our social media channels, reaching highly engaged audiences has never been easier.

Join us in Toronto for the concurrent Canadian Societies for Chemistry and Chemical Engineering 2026 Conferences and Exhibition (x2026), hosted by the CSC and CSChE from May 24-28. Connect with leading professionals, researchers, and innovators shaping the future of chemical sciences and engineering.
